what if earths history as we know it is only a fragment of the actual truth what if it started thousands of years before we ever thought could it be possible that an advanced society and civilization thrived here on earth but due to a worldwide flood their existence was nearly wiped away from history with melting glaciers at the end of the last ice age then combined with a comet colliding with the earth it caused global rainstorms and increased volcanic activity resulting in the rapid melting of earths ice it quickly flooded earths entire surface after over a month of flooding only a small fragment of earths inhabitants survived many civilizations and creatures were totally wiped away many great cities were buried or sent to the bottom of seas animals and humans had to start over with repopulating the earth over time some evidence of this time has been found some of these items found are more advanced then we are today some items are even questionable if they are even from earth only a few left today really know the truth about our planet an alien race came to earth to escape their dying world they tried taking over and ruling our world and all its inhabitants after many hundreds of years a civil war broke out among them with the human race getting caught in the middle after a last attempt battle to end the war both sides were sent into hiding and waiting now in todays world the aliens are once again planning their takeover of our world with their extinction agenda they have already started influencing our society a small group of individuals have been tragically brought together after their ancestors were eliminated by the aliens because they were being seen as threats now this small group is the only one in the aliens way of global domination

los zombis y muertos vivientes son mucho m s que esos seres rabiosos con instinto can bal que nos ha presentado el folclore habitual o la gran pantalla y que tantos seguidores han ganado en el mundo el mito del muerto viviente se hunde en las ra ces de culturas ancestrales y es sin duda una de las pr cticas m s aterradoras de los rituales africanos desde un profundo an lisis inmerso incluso en la experiencia personal el reconocido investigador garc a bautista ha recogido en esta apasionante obra los aspectos m s escalofriantes de un fen meno que no nos es tan ajeno como podemos pensar el zombi existe pero no es el de las pel culas de george romero o the walking dead la religi n vud te castiga convirti@ndote en zombi es el mayor castigo al que todos temen ser un muerto viviente sin voluntad desde nuestro c modo sill n podemos pensar

dado que la ciencia ficción sobre todo en su versión más pulp apareció en este tipo de revistas de formato barato hemos dedicado todo un año a iniciar un proyecto de colaboración de diversos autores escritores del género con el único objetivo de la divulgación y el disfrute tanto de lectores como de los colaboradores así nace fiction news un periódico que inventa la realidad que propone noticias artísticos y relatos de cifi pero también del género de terror y la fantasía ha sido en algunos momentos difícil mantenerlo a lo largo de los meses sobre todo porque insistir en publicar un periódico digital que no llega a mucha gente y cuyo público es reducido es en muchas ocasiones una ardua tarea pero no ha quedado tan mal y no nos gusta nada quejarnos también es realmente grato ver el entusiasmo de los colaboradores y aunque no todos los que empezaron en el proyecto han podido o querido continuar les estamos agradecidos escribir es siempre una inversión de tu tiempo de tu talento y de la propia voluntad por ello muchas gracias a todos los escritores que alguna vez habéis enviado vuestros relatos artísticos noticias y anuncios por palabras sois unos cracs

relato novelado de un viaje del autor a México en busca del conocimiento de los chamanes y de las plantas maestras
